

Ultimo Valley Tour – easy

Route description - tour no. 10:

First across the embankment dam onto the other side of the valley. At the end of the dam you get to a forest road, which leads along the lake into the valley! Watch out for pedestrians!! Straight on along the Falschauer River. Turn-off onto an asphalt road. On the asphalt road shortly left - approx. 100 m - then right onto a field path and on to the turn-off into the valley road; continue on this road in the direction of S. Gertrude. Turn left across the bridge onto the forest road. To the right on a wide hiking path with blue-white marking!! Hikers!!! At the end through a meadow - continuation of the hiking path (please push your bike for approx. 150 m) to the old larch trees. Down to the road and back to the valley road. Approx. 200 metres into the valley. (Edelweiß Guesthouse). Left over the bridge and on the side road into the "Winkl" housing estate. First follow the sign-post to the church and then to the right back onto the main road; on this road until below the church of S. Gertrude. !!Residential area!! Now leave the valley on the main road to S. Nicolo - village centre. At the church continue to the right (Waltershof Hotel) on the Höfer Road (blue-white marking) - hiking path to Pracupola. Watch out for hikers & walkers!! On a wide tractor path back onto the side road to the turn-off to the valley road of Pracupola. On this road back to the point of departure along the lake.
