

Vendetta Alta – difficult

Tour description:

From S. Valburga (1,130m) first on the valley road either by car or by foot to the embankment dam of Zoggler Lake (1,148 m). Now across the embankment dam to the southern side of the valley, on path 27 and afterwards on path 27A in an easterly direction across the forest to crossing path 22 and on path 22 through the forest mostly on a steep gradient up to Spitzen Hut (1,849 m; open to the public; 2 hours 30 minutes from the point of departure. From here follow sign-post 22 first straight up the forest to the treeline, then across the slopes and into a mountain basin; now a steep gradient to the eastern ridge, in a westerly direction across the ridge to another ridge elevation and over the last ridge to the peak (2,627 m). 2 hours 20 minutes from the hut. Descent: like ascent.

Route:	After the village centre of S. Valburga in the direction of Zoggler Lake. Car park on both sides of the lake.
